SUGGESTED ITINERARY

OPERATIONS & ASSET MANAGEMENT – ABOVE THE GROUND

With two fully dedicated streams for Operations & Asset Management, we've created three separate itineraries based on your areas of specialism and interest. **Below the Ground** covers presentations relating directly to major civil assets including networks, pipelines, reservoirs, etc. **Above the Ground** covers presentations relating to mechanical assets and plants, pump stations, movable plant, etc. **Head in the Clouds** covers presentations relating to the future, innovation, technology and how it can be used in the water industry.

Monday, 7 May 2018

18.00 Arrive in Brisbane and attend the **welcome networking evening** at the Soleil Pool Bar, Rydges South Bank.

Tuesday, 8 May 2018

08.30 Hear from our **keynote speakers**, Dr Adriana Marais and Dr Alan Duffy as they **set the scene for evolution revolution**.

10.00 Grab some morning tea in the Exhibition Hall and continue to discuss and network with both Ozwater'18 delegates and exhibitors.

10.45 Kick-start the *above the ground* presentations by hearing from AECOM on **Rapid Optimisation of a wet – to all-weather Pump Station Conversion using CFD Modelling**.

12.15 Grab some lunch and head to the Queensland Urban Utilities Theatre to hear from our exhibitors on their innovative products and solutions.

13.15 After lunch, head to the Integrated & Strategic Planning session to hear about **Effective Renewals Planning Process with Robust Investment Planning for Treatment Operating Assets in Sydney Water**.

15.15 Grab some afternoon tea in the Exhibition Hall and check out the poster display on your way down. Our poster display showcases over 90 presenters' research in a visual A1 display. You will also be able to download their poster and extended abstract.

16.00 Finish your day exploring the Exhibition Hall. Drop by the Australian Water Association stand and say hello to the team or spend some time with over 250 exhibitors!

17.30 **Happy Hour at the Club House** in the Ozwater Trade Exhibition is the perfect opportunity to network and unwind with your colleagues at the end of day one. *Included in the Full Delegate and Tuesday Day Registration.*

Wednesday, 9 May 2018

08.30 In today's inspiring **keynote session**, we hear from Marita Cheng and Mark Pesce on **automation and humanity**.

10.00 Grab some morning tea in the Exhibition Hall and take some time to look at the innovations on display in the 'Innovation Hub'.

SUGGESTED ITINERARY

10.45	This morning head to the Biosolids session to hear from GHD and Melbourne Water on <i>A Hidden Gem or Fools Gold: Advanced Methane Recovery at Wastewater Treatment Plants.</i>
12.15	Over lunch, recharge at one of our sponsored delegate lounges. They offer the perfect opportunity to continue networking with other industry professionals.
13.15	This afternoon you can hear about <i>Protecting one of South East Queensland's Most Critical Water Supply Assets from Current and Future Climate Risk</i> from Cameron Wearing and Lee Foster at Seqwater.
15.15	Pick up some afternoon tea in the Exhibition Hall.
16.00	Finish your day by hearing from Melbourne Water on <i>Making Every Drop Count – Harnessing Hydroelectricity from Melbourne's Water Supply.</i>
18.30	The <i>Ozwater Gala Dinner and Australian Water Awards</i> is the highlight of the Ozwater social program. Tickets are only available to registered delegates. Book early via ozwater.org as this is the sell-out event at Ozwater each year.

Thursday, 10 May 2018

09.00	The final day of Ozwater'18 is here but we still have a variety of presentations to hear from. You can hear about <i>Maximising Plant Capacity – Novel Instrument to Measure Floc Strength in Direct Filtration Water Treatment Plants</i> and <i>East Rockingham Wastewater Treatment Plant: Task JV Passing the Baton to Aroona Alliance</i> in the Water Treatment session.
10.30	Time for morning tea in the Exhibition Hall! If you've been meaning to check out the poster display now is your last chance. Have your pick of 90 posters that cover everything from asset management to drinking water regulations and how technology will be shaping the water experience in the future.
11.15	Join the Recycled Water session to continue hearing about water plants in Australia. Hear from City West Water on <i>Innovative Reverse Osmosis Pre-Treatment Strategy for Dual Membranes Recycled Water Plant</i> and an <i>Innovative Solution for Sunbury Recycled Water Plant Upgrade.</i>
12.15	Grab some lunch in the Exhibition Hall and drop by the Aquademic Hub to see the great work universities are doing in water research.
13.45	Round off this year's Ozwater experience at the <i>final keynote session</i> which will teach you how to make the most of your personal and professional development. This will be followed by the Closing Ceremony.
15.45	Get in that last-minute networking with other delegates over closing drinks.
