SUGGESTED ITINERARY

## WASTEWATER

This itinerary is perfect for professionals with an interest in wastewater.

Monday, 7 May 2018	
18.00	Arrive in Brisbane and attend the <b>welcome networking evening</b> at the Soleil Pool Bar, Rydges South Bank.
Tuesday, 8 May 2018	
08.30	Hear from our <b>keynote speakers</b> , Dr Adriana Marais and Dr Alan Duffy as they <b>set the scene for evolution revolution</b> .
10.00	Grab some morning tea in the Exhibition Hall and continue to discuss and network with both Ozwater'18 delegates and exhibitors.
10.45	Kick-start the presentations on Wastewater by joining workshop one – <b>WWTP Sludge Conversion from a Waste Product to a Beneficial Biosolid – Global Perspectives, QLD Trials, Legislation and Future Uses</b> .
12.15	Grab some lunch and head to the Queensland Urban Utilities Theatre to hear from our exhibitors on their innovative products and solutions.
13.15	During the Integrated & Strategic Planning session you will hear from accent speaker Professor Pascal Perez, SMART Infrastructure Facility at University of Wollongong on <b>Will Wastewater be the New Black?</b>
15.15	Grab some afternoon tea in the Exhibition Hall and check out the poster display. Our poster display showcases over 90 presenters' research in a visual A1 display. You will also be able to download their poster and extended abstract.
16.00	Before heading to Happy Hour hear from Jacobs on <b>Simple Modelling of Water Quality Risks to Waterways from Wastewater Discharges</b> and from RMIT University on <b>A Modified Qwasi Model for Predicting Fate and Transport of Micropollutants in a Wastewater Lagoon</b> .
17.30	<b>Happy Hour at the Club House</b> in the Ozwater Trade Exhibition is the perfect opportunity to network and unwind with your colleagues at the end of day one. <i>Included in the Full Delegate and Tuesday Day Registration.</i>
Wednesday, 9 May 2018	
08.30	In today's <b>keynote session</b> , we hear from Marita Cheng and Mark Pesce on <b>automation and humanity</b> .
10.00	Grab some morning tea in the Exhibition Hall and take some time to look at the innovations on display in the 'Innovation Hub'.

SUGGESTED ITINERARY

10.45	This morning delegates can join the Biosolids session to hear about <b><i>A Hidden Gem or Fools Gold: Advanced Methane Recovery at Wastewater Treatment Plants</i></b> from GHD and Melbourne Water. You can also learn about <b><i>Microalgae Based Wastewater Treatment and Microalgae Biomass Opportunities</i></b> from Queensland Urban Utilities plus hear the product pitch from Evoqua Water Technologies. Or join the Providing Wastewater Services session to hear how <b><i>Management is not a Dirty Word: Unlocking the Potential of Decentralised Wastewater Systems</i></b> and <b><i>Servicing of Fringe Developments Through Temporary Wastewater Treatment and Land Irrigations</i></b> .
12.15	Over lunch, recharge at one of our sponsored delegate lounges. They offer the perfect opportunity to continue networking with other industry professionals.
13.15	Join Icon Water and AECOM in the Data Analytics for Decision Making session to hear about <b><i>Cost Risk and Performance – Sewer Main Investment Planning</i></b> .
15.15	Pick up some afternoon tea in the Exhibition Hall.
16.00	Finish your day exploring the Exhibition Hall. Drop by the Australian Water Association stand and say hello to the team or spend some time with over 250 exhibitors!
18.30	The <b><i>Ozwater Gala Dinner and Australian Water Awards</i></b> is the highlight of the Ozwater social program. Tickets are only available to registered delegates. Book early via <a href="http://ozwater.org">ozwater.org</a> as this is a sell-out event.

## Thursday, 10 May 2018

09.00	Delegates can sit back and enjoy a full session on novel wastewater treatment solutions. Hear five presentations including <b><i>Translation of Scientific Discoveries to Applied Wastewater Technologies by Collaborative Research</i></b> and <b><i>Solving Phosphorous Removal Challenges with Magnetite Ballasted Technology</i></b> .
10.30	Time for morning tea! If you've been meaning to check out the poster display now is your last chance to check out all 90 posters which cover everything from asset management, to drinking water regulations and how technology will be shaping the water experience in the future.
11.15	Before heading to lunch, head to the Wastewater Management Challenges session and learn about <b><i>Membrane Bioreactor (MBR) Wastewater Technologie: Operator's Return of Experience</i></b> from CDE and SUEZ, and <b><i>Design and Operational Learnings From a Lego-Scale WWTP</i></b> from Water Corporation.
12.15	Grab some lunch in the Exhibition Hall and drop by the Aquademic Hub to see the great work universities are doing in water research.
13.45	Round off this year's Ozwater experience at the <b><i>final keynote session</i></b> which will teach you how to make the most of your personal and professional development. This will be followed by the Closing Ceremony.
15.45	Get in that last-minute networking with other delegates over closing drinks.
